

SIRENA MANUAL PARA ALERTAS DE EMERGENCIAS

<https://www.ripe.cl/producto/sirena-manual-emergencias/>

SAFETY INSTRUCTIONS

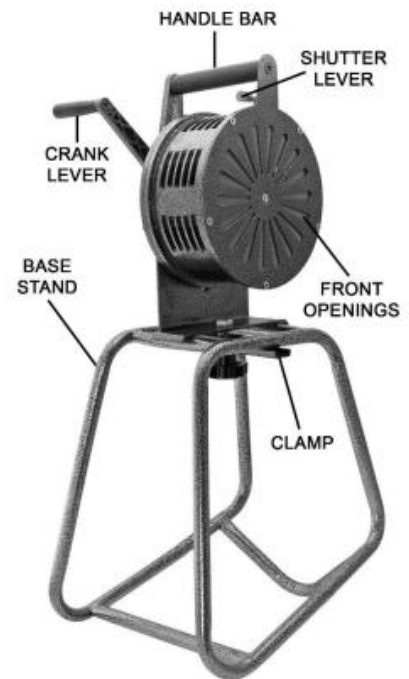

- Intended for use by adults only.
- Do not insert any objects into siren's openings at any time.
- Do not ever insert fingers into any openings.

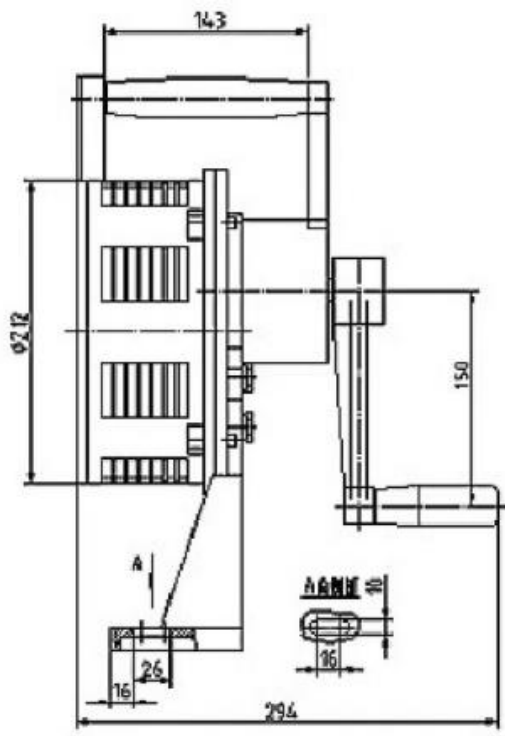

OPERATING INSTRUCTIONS

- Attach the siren to the base stand using the clamp.
- Make sure siren's radial openings are fully opened by adjusting the shutter mechanism lever located on the top.
- Place one hand on the siren's handle bar and using the other hand start turning the crank lever rapidly clockwise to produce the sound.
- To storage you may attach the siren to the base upside down to save space.

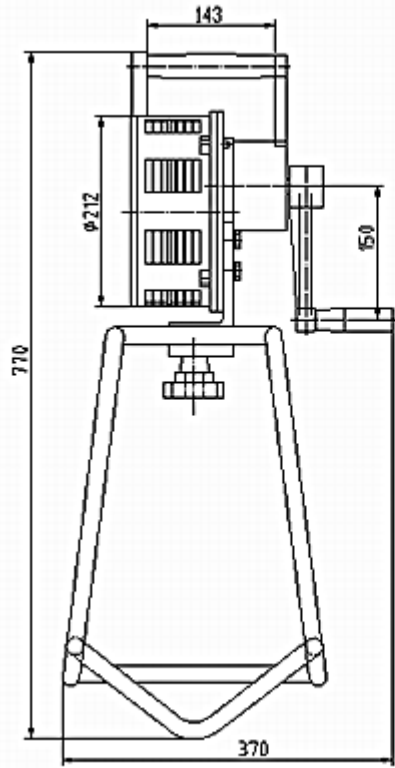

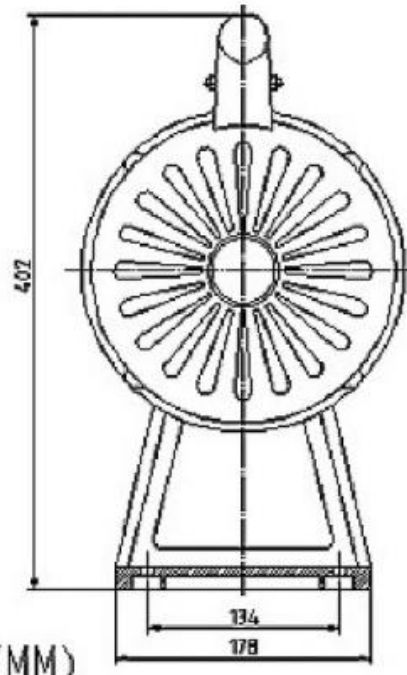

IMPORTANT: While not in use, keep the front opening of the siren closed.
